

Tharawat Family Business Forum

Individual Membership 2016/17

ABOUT THARAWAT FAMILY BUSINESS FORUM

The Tharawat Family Business Forum is an independent **private sector business network** for MENA family-owned companies. It was founded in 2006 by 15 business families to build a business community for networking, education, thought leadership and the exchange of knowledge and experience between our region's families.

Founded to strengthen the ties between family businesses, Tharawat is a membership organisation, which holds programs to empower **sustainability, innovation and growth** in the family business community. We welcome Families and Individuals as our members.

**The members of Tharawat share a common vision:
to find opportunities for their own sustainability and growth and at the same time support the community, positively contribute to the regional economy, and build legacies for the future.**
