Family Membership 2017/18

ABOUT THARAWAT FAMILY BUSINESS FORUM

The Tharawat Family Business Forum is an independent private sector business network for MENA family-owned companies. It was founded in 2006 by 15 business families to build a business community for networking, education, thought leadership and the exchange of knowledge and experience between our region's families.

Founded to strengthen the ties between family businesses, Tharawat is a membership organisation, which holds programs to empower sustainability, innovation and growth in the family business community. We welcome Families and Individuals as our members.
